

Last week at St. Cuthbert's was buzzing and full of excitement as children became teachers when they delivered their lessons to other classes. Greta Thunberg was the focus of most of the lessons once again and her message that you are never too small to make a difference has made a massive impact on our whole school. Children from years 5 and 6 also led Godly Play sessions with other classes at school, once again demonstrating how special our whole school is. Children and staff post lots of photos, videos and messages on Twitter and Tapestry every day sharing what is happening at school and they would love to show you what they are doing at school by looking at the posts with you. If you haven't logged on to Twitter or Tapestry in a while please do, and give the posts and messages the thumbs up.

Our whole school attendance for the week of the is 90.7% and Year 2 have are our attendance stars with 96.7%. COVID continues to have a big impact on our attendance as it does for all schools across the country, the national primary school attendance figure is 90.6% for last week.

Class	%
Reception	94.8
Year 1	92
Year 2 	96.7
Year 3	85.7
Year 4	89.3
Year 5	81.3
Year 6	95.4
Whole school	90.7

Thank you to everyone who joined the online First Holy Communion meeting with Fr. Chris and the parish catechists last week. Fr. Chris is inviting everyone who is making their First Holy Communion to a meeting at 6pm next Thursday 27th January at St. Cuthbert's Church. This will be a short service and also the opportunity for you to complete the First Communion form for the programme of preparation. The form is very short and if you missed the online meeting last week you can still come along on Thursday evening to begin the programme.

Year 6 made the visit to Safety Works in Newcastle last week and explored how to stay safe at home, at school and when they are out and about. Their visit to Safety Works compliments the work we do at school with all children at St. Cuthbert's on staying safe.

Mass times online on Facebook at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Plans for our whole school strike are well underway and children have been contacting different people and organisations for support and sending invitations out for the day. Greta Thunberg has made a massive impact at St. Cuthbert's and children have been taking their learning home and making sure lights are turned off, rubbish is recycled and they are walking, cycling or scootering instead of taking a car when possible. The children have also planned and taught lessons to each other focusing on Greta Thunberg and her message that no-one is too small to make a difference. The whole school focus on Caring For Our Common Home stays central to everything we do and next week Mrs Cottiss will be introducing everyone to another inspirational young activist who the children will love. The children will be in touch soon with final details about the strike, keep an eye on Twitter and Tapestry to see the amazing work they are doing.

Our mission is to take our mission out into our wider community and to work together to make our world a better place for everyone in it, to Care For Our Common Home and our Fratelli Tutti.

OUR MISSION

Our mission is to share our mission with everyone in our community and across our world. We are calling you you join us, to make sure every small difference makes a big difference. We promise to treat each other with **dignity, kindness, compassion, care and love**. We are all St. Cuthbert's and we are all **Fratelli Tutti**.

Our faith in action

St. Cuthbert's Catholic Primary School

Loving God,
you sent your Son Jesus to share the good news of your **love** for everyone. May we also share this good news through our words and all that we do for our **Fratelli Tutti**.
You nourish us with your **love, your light and your joy**, so that we can treat each other with **love, kindness, compassion and hope**.
LOVE & COMPASSION ARE NECESSITIES
Amen.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out.

From Monday 17th January 2022 there will be an update to point 2- **Self-isolation period for individuals who test positive for COVID-19**. Our information below now includes this update.

1. PCR testing requirements

Any pupil who has symptoms of COVID-19 must not attend school. They should book a PCR test immediately and self-isolate until the result is confirmed.

Secondary school pupils should continue to undertake twice weekly asymptomatic testing with a lateral flow device (LFDs). LFDs should not be used for those who have symptoms.

From 11 January 2022 **anyone without symptoms testing positive with an LFD will no longer need to confirm this with a PCR test**. However, the LFD result must be reported as instructed to gov.uk and the person must self-isolate immediately.

2. Self-isolation period for individuals who test positive for COVID-19

The self-isolation advice for people with COVID-19 will change from 17 January 2022.

- The requirement to isolate for 10 days remains in legislation, however from 17 January, a person who has tested positive with COVID-19 may take an LFD test on the fifth and sixth days of their isolation period. If both these LFD test results are negative, and they do not have a high temperature, **they will be able to end their self-isolation after the second negative test result**.
- The LFD tests must be taken on consecutive days but the guidance will no longer stipulate that these tests should be taken at least 24 hours apart.
- This means that return to work or school is possible on day 6 after 5 full days of isolation.
- This will shorten the minimum possible self-isolation from the current guidance of 6 full days to 5 full days.
- If the LFD tests are positive on day 5 or day 6 daily testing should continue until there are 2 consecutive negative tests up to day 10 only.
- Testing should not continue after day 10 even if there is a positive LFD result self isolation ends.
- The Stay at home: guidance for households with possible or confirmed coronavirus (COVID[1]19) infection - GOV.UK (www.gov.uk) will be updated on the 17th January to reflect these changes.

This guidance also applies to children under 5, with LFD testing at parental or guardian discretion. Any pupil who is unable to test using LFDs must isolate for the full 10 days.

Mass times online on Facebook at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

3. Children and young people aged 5 to 18 years 6 months who are identified as a close contact of a confirmed COVID-19 case

All pupils aged between 5 and 18 years and 6 months identified as a contact of someone with COVID-19 are no longer legally required to self-isolate. They are strongly advised to take an LFD test every day for 7 days and continue to attend their education setting as normal unless they have a positive test result or develop symptoms themselves. Children under 5 years are exempt from self-isolation if they are identified as a close contact and do not need to take part in daily testing.

We are aware that getting hold of LFDs is difficult currently, but the advice is to keep trying as LFD stocks are released through the day.

More detailed information is also available in the updated government guidance [What parents and carers need to know about early years providers, schools and colleges - GOV.UK \(www.gov.uk\)](#)

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for £25,000 draw each week. You can sign up at

<https://www.yourschoollottery.co.uk/lottery/school/st-cuthberts-rc-primaryschool/supporter>

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrcprimary.co.uk email and school phone to keep in touch with school staff. It is very important that lines of communication are kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, concerns, or need to chat to a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrcprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs Cottiss and Mr Dillon.
- Phone 0191 691 9876 and arrange an agreed time to chat to someone. Use the school phone number to advise us of absence from school, for questions about day to day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it lots yourself.

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 23rd January 2022 www.northynesidecatholic.org.uk/

Mass times online on Facebook at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Thank you to everyone who is using Easyfundraising.

We now have 88 supporters and are well past the £1000 mark, raising a fantastic £1193.79 so far! There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers etc. online, and do so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrcprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will make a donation to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be really grateful for your support and donations which will go towards all our children.

Thank you for your amazing continued support, stay safe and God bless,
Shaun Dillon
