It has been another fun-filled, action-packed week at St. Cuthbert's as classes across the whole school celebrated their Christmas parties. As always, classes came together to enjoy the fun and there were quite a few grown-ups caught dancing and joining in with the games as well! Next week we'll be getting everything ready for our Carol Service at St. Cuthbert's Church next Thursday at 6pm, Mass next Friday at 9.30am- also at St. Cuthbert's Church and our final Advent Service of the year at 2.30pm in the school hall. We would love to see you throughout the week.

Year 2 are our attendance stars this week with a score of 96.2%. We work hard with families and partner agencies to make sure every child achieves the best attendance they can. Can we remind all families that we ask you to contact school when your child is absent from school for any reason at all.

Thank you everyone for helping us make sure all the children had a great time partying last week! There were lots of games, singing, dancing, laughing and everyone had a brilliant time. Thank you also for the donations of children's Christmas jumpers, we have a few left on the clothes rack at the back of the school hall if you would like to take one for Christmas. Thank you also to all our fantastic staff team who do so much for all the children at St. Cuthbert's and who once again made sure the partygoers kept on partying!

Your support, every day and every week, helps us make St. Cuthbert's the best school it can be for all our children. Your support also helps our staff team work with you and your children and it allows us all to make sure everyone is included in everything that happens at St. Cuthbert's and this makes every child and member of our staff team feel that they belong to our school. We talk to the children about equity a lot at St. Cuthbert's and they know that this means making sure people have what they have the same opportunities to learn, achieve, enjoy and succeed. Our children also understand that equity means that different people will need different things at different times to help them and that this means we don't always get the same things. We do all that we can at school to make school life as equitable as possible. We don't charge for clubs, we don't charge for events, we subsidise residential trips for everyone, we don't ask for set donations on charity days, and we have bought and maintained a fleet of bikes so that all children who are old enough get the opportunity to use them, just like the younger children who use the balance bikes. It is this ethos of everyone being treated equitably that led to our no presents policy at St. Cuthbert's, it ensures that no child or family is under pressure to buy gifts for other children or school staff. Thank you everyone for respecting this policy and for working with us to make St. Cuthbert's a school and community with compassion for each other and the wider world at its core. People will always need people.

COMPASSION MATTERS

Thank you for all the donations of tins and packets of food for each class's reverse Advent. Everything you donate will be given to Nite Bite to help people in need over the Christmas period and everything you donate is very, very gratefully received and appreciated by the volunteers at Nite Bite and the people who visit them every week. Donations can still be sent in with children each morning and they are being kept in each classroom.

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our new Child Protection and Safeguarding Policy 2023/24 is on our school website, <https://www.stcuthbertsrcprimary.co.uk/safeguarding> and it outlines our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. ***Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.*** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any

concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Can we also remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't. If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us make sure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any

questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

<https://www.thinkuknow.co.uk/parents/>

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

There has been a great deal of interest in our apprenticeships that have been advertised, you can find more information about the teaching assistant and admin assistant roles on our school [website](#).

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

We have a special treat lined up for the whole school on Wednesday 20th December as we make our way to the Saville Exchange to enjoy this year's panto, Aladdin! Our recent trips to the panto at the Saville Exchange have been very popular with all our children and we're sure this year's performance will be brilliant!

We would love you to hold on to some of the tinsel you might have over the Christmas holidays to decorate bikes and scooters for our January 'Bling Your Bike or Scooter Day' on Thursday 11th January 2024.

Thank you for your amazing continued support, stay safe and God bless,
Shaun Dillon

12 Top Tips for Children and Young People to Enjoy a TECH-FREE CHRISTMAS

The Christmas holidays are tailor made for families to enjoy relaxed quality time in each other's company – but with distractions like ping-pong notifications, the lure of games consoles and online Boxing Day sales, that can be more difficult than it sounds. Staying off our phones, laptops and tablets, however, can really help us to appreciate the things that genuinely matter at this special time of year. Follow our 12 top tips for a tech-free festive season ... Yule be glad you did! Merry Christmas!

CHRISTMAS CRAFTING

Get out the paper, glue and scissors and have a go at hand-making cards or gift tags. You could also create your own decorations to add a uniquely personal touch to the Christmas tree.

NATURE QUEST

Try a scavenger hunt in the garden or your local park. Challenge yourself and your family to find natural treasures that are symbolic of this time of year – like holly or pinecones, say.

CAROL KARAOKE

Sing your hearts out with a Christmas carol karaoke night. Pick out your favourite tunes and enjoy a musical celebration with family and friends.

WANDER DOWN MEMORY LANE

How about making a scrapbook filled with your favourite memories from Christmases gone by? Unleash your creativity while you enjoy reliving those magical holiday moments.

TRY REFLECTIVE JOURNALLING

Jot down your thoughts, feelings and reflections on the holiday in a notebook or diary – you could also list some of your main goals for the new year.

WRAP IT UP

Take time to get inventive with some luxurious gift wrapping. Break out the wrapping paper, ribbons and bows to make parcelling up those presents into a creative adventure.

WALK IN A WINTER WONDERLAND

Delight in the great outdoors with some gentle walks over the holiday. The family can all wrap up warm as you add to your step count and savour the crisp winter air together.

BE A SEASONAL CHEF

Get the whole family working together in the kitchen for some Christmas cooking. Choose a recipe and whip up a festive feast that all of you can enjoy.

ENJOY A CHRISTMAS STORY

Christmas is a perfect time for sparkling stories. Get cosy and lose yourself in a brilliant book, from Dickens to Dr Seuss or a more modern favourite by Chris van Allsburg or Tom Fletcher.

SNOWY SCULPTURES

If we're fortunate enough to get a white Christmas this year, make the most of the opportunity by having a family snowman-building competition!

GAMES NIGHT GALA

Dive into some old-school fun with a tech-free games night. Classic board games and card games have stood the test of time for a reason!

GOODWILL TO ALL

You and your family could spend a day volunteering – perhaps at a food bank or helping a local charity. After all, kindness and thinking of others are part of what Christmas is all about.
