This week we celebrated our second whole school Advent Service which was led wonderfully by year 5 who lit the candle of peace. Rehearsals and preparations are going on all around school as we get ready to film and produce our Christmas performances for everyone to enjoy on YouTube before we break up for Christmas.

Year 5 are our attendance of the week stars with an attendance score of 93.9%. Classes across school have been impacted by positive COVID tests this week and the government have changed the way we record attendance so that children off school due to COVID are now recorded as absent. This has had a massive impact on every school in the country and has led to attendance nationally dropping to 91.4%. We know that you do your very best to make sure your children are at school and if they are off due to illness of any kind then that is the right thing to do.

Class	%
Reception	91.3
Year 1	93.8
Year 2	93.3
Year 3	80.8
Year 4	92.9
Year 5 🏆	93.9
Year 6	87.9
Whole school	91.0

Our second Advent Service of the year was once again a very special service as year 5 led us in prayer and lit the second candle on the wreath, the candle of peace. We are very grateful to be together each week and it has been wonderful to have our nursery children with us for both services. You can watch the service on our YouTube channel by clicking the following link- <https://www.youtube.com/watch?v=gNBkUPHOsQ0&t=639s> . Year 4 will be leading our Advent Service next week and lighting the third candle on our wreath.

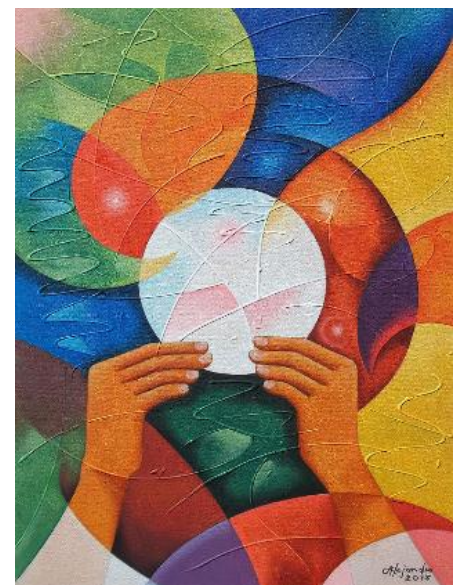

Last week we were delighted to collect a beautiful Christmas tree which was donated to us by the very kind and generous staff at Garden World at Royal Quays. The tree is 7ft tall and we were able to pick out a tree which was then wrapped for us at the shop. The children in year 6 will take on the task of decorating the tree next week, there have been some very creatively decorated trees over the years and the children always do a brilliant job!

Thank you to everyone who has replied to ParentMail messages about trips out next week. We will continue to follow the plans we set out in the letter sent out last Tuesday 30th November. We still plan for the trips to go ahead but these plans could change at the last minute depending on the number of positive cases in a class and depending on the policies of the places we are visiting. We will send any updates out through ParentMail and it is fantastic that 100% of St. Cuthbert's families receive emails and text messages from our ParentMail. If you are having any trouble receiving your messages please check your spam or junk email box as messages sometimes go there. If you are still having any trouble please contact the school office and Miss Taylor and Mrs McNulty will do their best to help you out.

Thank you to families who have been in touch with school or Fr. Chris regarding First Holy Communion preparations this school year. We'd love to have a good idea of how many families are interested by Monday 13th December as this will allow Fr. Chris and the parish to confirm dates and venues for the children's sessions with parish catechists and dates and times for the First Communion masses in the summer. Once the dates and times are finalised we will let all families know so that you can make any arrangements you need to make. We are once again sending the invitation to express an interest to families in years 4, 5 and 6.

Thank you once again for your support in our request to not send gifts to staff or other children for Christmas. We have begun our reverse Advent Calendar and children have begun bringing donations to school through the week. Tins and packets of food are always very welcome, especially brown rice and pasta, as are toiletries. All your donations will be sent to Nite bite and help support vulnerable people in our community over the Christmas season.

COMPASSION MATTERS

Next week we'll be celebrating Children's Rights Day at St. Cuthbert's and children will be taking part in lots of sessions and activities looking at their rights and why we think they are so important at St. Cuthbert's. We tell the children all the time that they should speak out when they feel they need to, this can be for something they are concerned about or something they want to celebrate. The children at St. Cuthbert's are brilliant at this and they know the adults in school who they can talk to and have a strong sense of fairness and justice.

Our Mission this week is to continue to prepare for the birth of our saviour, Jesus Christ. We do this best by treating ourselves and each other with kindness, compassion, care and love and we demonstrate these qualities in how we speak to each other and what we do.

OUR MISSION
 Our mission is to do our bit to prepare a way for the infant **Jesus**. To do this we are all called to treat each other with **dignity, kindness, compassion, care and love**. We are all St. Cuthbert's and we are all **Fratelli Tutti**.

Our faith in action

Merciful God, you sent John the Baptist to prepare the people for the coming of your Son, Jesus. Help us to prepare as well. Lead us to be the positive difference to the lives of others around the world, as caring, loving, compassionate and tolerant as we can be. We ask this through Christ Jesus, your Son, Our Lord. Amen.

LOVE & COMPASSION ARE NECESSITIES

Love wins

We will supply all the drinks and entertainment for the children. We would love everyone to come to school wearing Christmas jumpers, hats, t-shirts or any other festive clothing on our whole school Christmas lunch day. We'd also love everyone to come to school wearing their Christmas jumper, hats etc. or any sparkly or blinged clothes to help support Save The Children's Christmas Jumper Day. We'll have donation buckets in school on Friday all donations will go straight to Save The Children who you've been supporting with fantastic creative jumpers, hats and costumes since Christmas 2021 which makes next week St. Cuthbert's tenth anniversary of Christmas Jumper Day!

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out.

Thank you to everyone who has kept us informed of any lateral flow or PCR testing that has been happening at home- we always want to know how everyone is doing and to help where we can. Test and trace are responsible for contacting anyone who they believe should isolate if they have been in contact with anyone testing positive for COVID. They haven't contacted us yet to suggest isolation for any children or staff and if they do we will contact anyone we need to immediately.

At St. Cuthbert's everyone has worked fantastically well together to keep everyone as safe as possible throughout the current, ongoing pandemic. We have taken, and continue to take, advice from Public Health, North Tyneside Council and Bishop Bewick Catholic Education Trust and the national government on what we need to do at school. We will keep everyone as up to date as possible with any changes to our school day and all communications will be through ParentMail to everyone concerned in the first instance.

If your child is at school, becomes unwell and shows symptoms of Coronavirus

If your child becomes unwell at school and develops one of the three main symptoms of Coronavirus;

- a high temperature,
- a new, continuous cough,
- a loss of, or change in, their normal sense of smell or taste,

they will be sent home immediately. They will be isolated within school and supervised, as necessary, until they can be collected. Any member of staff supervising a child will be wearing appropriate PPE, including a visor, disposable apron and disposable gloves. Windows in the room will be open and the door will be closed, the door has a clear pane of glass allowing other members of staff to check both the child and member of staff are OK. Once your child has been collected the room will be deep cleaned. We will contact you via **telephone** as soon as possible should your child need to go home. You must ensure all your contact numbers are up to date and that you answer your phone as soon as possible when we phone. Our school phone number is **0191 691 9876**, if you have missed a call from this number please phone us as soon as possible. If we do not have your up-

Mass times online on Facebook at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 to-date contact details, please contact the school office as soon as possible to notify us of any changes. **If a child has a runny nose or sore throat they can come to school if well enough.**

The advice below has been given to us by Public Health England and reflects the change in approach to isolation due to positive cases of COVID. A full class no longer has to isolate due to a child or member of staff testing positive for COVID and school are no longer responsible for any track and tracing. If any child or member of staff does test positive we will still follow all guidance given to us by Public Health England and we will let you know if we need to act as soon as possible.

Who needs to isolate?

1. Anyone with COVID-19 [symptoms](#) or a positive test result should stay at home and self-isolate immediately. If you have symptoms of COVID-19, you should arrange to have a PCR test as soon as possible. This still applies even if you have received one or more doses of COVID-19 vaccine.
2. Identified close contacts including household contacts are not required to self-isolate if any of the following apply:
 - they are fully vaccinated
 - they are below the age of 18 years 6 months
 - they have taken part in or are currently part of an approved COVID-19 vaccine trial
 - they are not able to get vaccinated for medical reasons

They should be encouraged to seek a PCR test **but they DO NOT need to isolate while they await the test or the result.**

3. Close contacts who do not meet the above criteria must self-isolate for 10 days even if their PCR test is negative.

Individuals should not arrange to have a PCR test if they have previously received a positive PCR test result in the last 90 days, unless they develop any new symptoms of COVID-19.

We follow Public Health England's advice and will inform families of any actions that may need to be taken if any member of staff or child tests positive for COVID-19. So far this term no child or member of staff who would be in contact with a child has tested positive and we had no contact advising us to take any action from Public Health England or any other authority. If you have any questions at all about what to do please keep your child off school and get in touch with us and we will help you as much as we can.

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrcprimary.co.uk email and school phone to keep in touch with school staff. It is very important that lines of communication are kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, concerns, or need to chat to a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrcprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs Cottiss and Mr Dillon.
- Phone 0191 691 9876 and arrange an agreed time to chat to someone. Use the school phone number to advise us of absence from school, for questions about day to day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it lots yourself.
