

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 19th October 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

We had lots of children and staff representing St. Cuthbert's at different events this week. We are very proud of all our children and staff who go on curriculum trips and events linked to what we do and our mission, and we always get fantastic feedback from everyone involved in whatever we do. Thank you for allowing us to continue to grow the curriculum we have at St. Cuthbert's. Your fantastic continued support makes it all possible.

Year 5 are our attendance star trophy winners with a score of 97.4% Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance and Term Dates](#) page. If your child is feeling unwell and you are unsure about them being in school, the NHS have a page of guidance on the subject, which you can find by clicking on this link: [NHS Is My Child Too Ill For School?](#)

Class	%
Reception	91.7
Year 1	95.0
Year 2	92.6
Year 3	97.9
Year 4	97.7
Year 5 🏆	98.3
Year 6	96.0
Whole school	95.6

Thank you for your generous donations for our Harvest Festival assembly this Thursday morning. All donations will go to Nite Bite, and our Mini Vinnies will be helping Nite Bite sort and organise everything after half term. The donations you send go to support families and individuals who need help. It is a fantastic local charity run by volunteers from the different churches and organisations in North Shields. The work they do and the sanctuary they give can often be the thread of hope that someone really requires in their time of need. Every tin and packet of food you donate helps them live out their mission and us to live out ours. Our Harvest Festival is at 9am in the school hall this Thursday, 23rd October, and all classes will be providing the entertainment for everyone who joins us.

Thank you to everyone who has signed up to meet with class teachers to chat about how your child has settled into the new school year. Appointments are 5 minutes per child, and you can sign up on the paper copy of the booking form after school tomorrow and again after school on Tuesday. Reception Class, Years 1, 2, 3 and 5 have appointments for Wednesday and Years 4 and 6 are on Thursday.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

We share our school mission at the start of every week with our children and staff. It is simple in words but more challenging to live out, so we create as many opportunities to teach it, live it and celebrate it. Our mission is to treat ourselves and each other with care, kindness and compassion just as Jesus has asked us to. We use our Compassion Matters sessions to continuously explore people and communities who are brilliant examples of our mission. We celebrate the amazing things our children and staff do every week, and this includes many, many things that people might consider small. It is the small things that are often the most powerful examples of children, families and staff in our community showing kindness, care and compassion. The biggest impact we have on people is how we make them feel. When we put others before us, we are living out our mission. When we think about our words and actions before we speak or do, then we are showing thoughtfulness and potentially kindness and compassion. St. Cuthbert's is a genuinely unique school and community where every person in our community is valued for who they are and where every single person makes it what it is. We give thanks for, and celebrate an amazing, diverse and special community every single day and next week we will be celebrating our diversity even more during our Diversity Week. We are combining this with our work on Democracy Week, which includes welcoming our young mayor and young MP back to St. Cuthbert's to talk about things we do and could do more of to keep our community united, strong, and to celebrate the diversity of everyone who makes it what it is. St. Cuthbert's is the school and community where everyone works together, supports each other and where we know that treating each other and ourselves with care, kindness, and compassion is the right thing to do, and we do this together as we all know that people do need people.

Look with kindness and you will always find wonder

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Thank you for supporting us in using book bags and not large backpacks at school and for making sure children have sensibly sized water bottles. We are delighted that our classes are almost all full but this does reduce the space we have in shared areas. We do not have lots of space, and therefore, we are asking that children just bring a book bag to school each day. If they have a packed lunch then a small lunch bag is good as well. We do not have space for backpacks and other large bags that many children bring to school.

Lots of our children have them and they have very little in them but they take up a lot of space and end up lying on floors in corridors. They actually take up so much space that we have identified them as a fire hazard, as they are blocking corridors because they can't hang on pegs. Can we also ask that children have standard-sized water bottles? We have very limited sink space, and 30 bottles take up quite a lot of space. If children bring large bottles, they are stopping other children from being able to keep their bottles at the sink. I know these things might seem trivial on their own, but multiply each thing by 30 and you can see the problem. I hope that everyone can help with this request, we don't want to get to the situation where we have to ask people to take bags and bottles home. You don't need to buy branded book bags; any green book bag will be great. Book bags are brilliant because they help keep the books clean, dry and less likely to get torn or curled or damaged to the point where we have to ask for a replacement book.

Our SEMH team continue to meet and work with Connect North Tyneside. The Connect team have begun work with our Year 5 and 6 children which will go on for six weeks. Our SEMH team is made up of Ms Shepherd as SENDco, Mr Capper who has a wealth of experience leading support and inclusion at a large local high school, Mrs Cottiss, and Mr Dillon, who are Senior Mental Health Leads and Mrs Lavery, who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute, please phone the school office and let us know. this helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

Sunday 19th October 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 19th October 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who has been using Tapestry, keepingintouch@stcuthberts.email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past, we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Email keepingintouch@stcuthberts.email You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school or to let us your child will be picked up early for an appointment. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- Phone 0191 691 9876 and arrange an agreed-upon time to chat with someone. Use the school phone number to advise us of absence from school, and for questions

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 19th October 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website, <https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Can we ask that all items of children's uniform have their name written clearly on the label please. We had an incredible amount of uniform and other items of clothing left behind at school before the summer, and that was after weeks of having the uniforms out on the playground for everyone to check at the end of each day. We don't want to get to the situation where we have so much again.

Thank you for your fantastic, continued support, stay safe and God bless,
Shaun Dillon

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Our weekly E-Safety information posters now come with a link to the National Online Safety website and further resources, including podcasts and more explanations about the app or service highlighted each week. You can access the resources by clicking here [Wake Up Wednesday](#).

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about MEMES

WHAT ARE THE RISKS?

Memes may look like simple jokes, but, for many teenagers, they form a shared cultural language. Quickly created and reworked, they spread across social media platforms as images with text or short videos. Nearly eight in ten teenagers share memes (79%, YPulse), making them part of daily life. While memes encourage creativity and participation, they can also spread misinformation or reinforce harmful stereotypes.

SPREADING MISINFORMATION

While memes help to communicate complex topics, they can also spread misinformation. Memes may sometimes include content presenting false facts or biased viewpoints, especially around health, politics, or current events and, as they're designed to be shared quickly, young people may not question their accuracy.

EXPOSURE TO INAPPROPRIATE CONTENT

Memes are widely circulated, and not always age-appropriate, meaning young people may encounter explicit language, sexual content, or graphic imagery, even without searching for it. As memes spread fast on platforms like Instagram, TikTok, or WhatsApp, it's nearly impossible to filter them completely.

MASKED MESSAGES

Some memes are designed to be confusing or layered with hidden meanings, making them hard for parents, and, sometimes, other young people to understand. Online groups often create these memes to look like inside jokes, but they can sometimes conceal offensive, harmful, or misleading content.

HIDDEN HARMS & LOSING SENSITIVITY

When serious topics like violence, racism, or mental health are turned into jokes, children and young people may become less sensitive to these issues over time. While a funny meme may seem light-hearted, it can carry messages that belittle certain groups, encourage risky behaviour, or mock personal struggles. Repeated exposure through memes can make harmful behaviour seem normal or less important. Over time, this can blur their understanding of what is funny versus what is discriminatory, harmful, or damaging to themselves and others.

PERMANENT DIGITAL FOOTPRINT

Unlike spoken jokes, memes leave a trail. Created or shared memes can resurface later and be misunderstood, even if intended as harmless. Once online, memes may be copied, saved, or spread beyond a young person's control - digital actions can follow them into their future, shaping how they are perceived by peers, teachers, or even employers long after the original meme has been shared.

Advice for Parents & Educators

ENCOURAGE OPEN CONVERSATIONS

Talk regularly with young people and try to understand their online world - discuss what they find funny about the memes, and why. By listening without judgement, you build trust, making it easier for them to come to you if they see something harmful. Open conversations also help children and teens think critically about the messages behind memes rather than simply accepting them at face value.

MODEL HEALTHY BOUNDARIES

Show children and teens positive online behaviours, such as taking breaks from screens, avoiding late-night scrolling, and engaging in offline activities. Setting clear routines around screen time at home can help to reinforce healthy boundaries and reduce the risks of overuse. By modelling balanced technology use, adults can help children and young people see that digital entertainment, including memes, should be just one part of life.

TEACH DIGITAL LITERACY

Help children and young people learn to question where information comes from and whether it's reliable - developing media literacy skills prepares young people to understand and navigate through their future online lives. Show them how memes can sometimes exaggerate or misrepresent facts for laughs, and encourage them to check credible sources when memes claim to present truth.

FOSTER EMPATHY ONLINE

Remind children and young people that memes should never come at someone else's expense. Encourage them to think about how a meme might make another person feel before sharing or creating it. Highlight examples of positive memes that celebrate creativity without hurting others. Fostering empathy, respect, and kindness in digital spaces will help them become more aware of promoting a safer, more supportive online culture.

Meet Our Expert

Dr Cristina Moreno-Almeida is a Senior Lecturer in Digital Culture at Queen Mary University of London. She specialises in memes, online networks, and youth culture, examining how digital spaces shape identity and everyday life.

PE and Outdoor Learning Timetables 2025/2026

Children should come to school wearing their PE kit on their PE day.

PE	
Day	Class
Monday	
Tuesday	Year 3
Wednesday	Year 1, Year 6
Thursday	Reception Class, Year 2, Year 5
Friday	Year 4

We have a timetable for outdoor learning but classes will take learning outdoors as often as they can throughout the week. **Children should wear old clothes (which are appropriate for climbing, getting mucky and possibly smelling of smoke), on their outdoor learning day.** PE kit on PE day and school uniform on all other days. If an outdoor learning day is the same as a PE then children should wear PE kit that is suitable for outdoors and whatever weather we are forecast to have.

Outdoor Learning Dates

Nursery	(Friday)
Reception	(Friday)
Year 1	(Tuesday)
Year 2	(Tuesday)
Year 3	(Wednesday)
Year 4	(Wednesday)
Year 5	(Monday)
Year 6	(Monday)
