We have enjoyed an exciting and busy week at St. Cuthbert's, celebrating lots of gifts and talents across school. Thank you for all your continued support as we work together to make St. Cuthbert's the best it can be and to give the children of St. Cuthbert's the best opportunities possible. We have lots more happening this term, we will keep you up to date with everything through Arbor and our weekly newsletter, which you can also find on the school website www.stcuthbertsrcprimary.co.uk

Reception Class have won the attendance star trophy with a great score of 98.7% Our whole school attendance for the first month of the school year is a fantastic 97.5% which puts us in the top 20% of schools across the country. Lets keep it up and it is fine margins to get into the top 10%- we can do it! Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	98.7 🏆
Year 1	97.7
Year 2	96.7
Year 3	96.9
Year 4	95.9
Year 5	97.8
Year 6	98.5
Whole school	97.5

Rockstar Maths day was a great success as maths and times tables took centre stage for the day. Maths is always a big focus at St. Cuthbert's and our curriculum is built around giving children a deep knowledge and understanding of how maths works and how to use maths when solving problems.

St. Cuthbert's are taking over the Whitley Bay Junior Park Run next Sunday, 12th October and we would love as many children and families as possible to be there representing our school and community. The run is 2km long and takes place at The Links in Whitley Bay. You can find out more about the run and the course as well on the [Whitley Bay Junior Park Run website](#).

Thank you to everyone who came to the First Holy Communion meeting with Fr. Chris Wednesday evening. If you are interested in your child making their First Holy Communion and couldn't make the meeting, you can contact Fr. Chris on the phone number at the top of this newsletter.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. We marked National Poetry Day at St. Cuthbert's last week, and our whole school explored a very special poem by Benjamin Zephaniah- People Need People. The poem is written on the wall beside our school office, and it is a poem which we use in school a lot, especially through our work on compassion. Our mission at St. Cuthbert's is to always treat ourselves and each other with kindness, respect and compassion, and People Need People explains very clearly why this is so important. We are a school and community where everyone is given a warm welcome and where everyone supports each other. We are a school and community made up of families, children and staff from all over the world and of many different faiths and political beliefs. The strength of our community is noted by our many visitors, and it is something we work on all the time. If we stop reflecting on how we treat each other and on the needs of everyone in our community, then we would no longer be as strong as we are. Our children learn best when they see the qualities of kindness, respect and compassion around them. Our staff work with each other and the children in kind, thoughtful, respectful and compassionate ways and the new staff who joined us in September do this brilliantly as well. St. Cuthbert's is a school and community where everyone works together, supports each other and where we know that treating each other and ourselves with kindness and compassion is the right thing to do, and we do this together as we all know that people do need people.

Look with kindness and you will always find wonder

Sunday 28th September 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. We will be celebrating Mass with Fr. Chris and the parish this Wednesday, 8th October at St. Cuthbert's Church. We will be leaving school at 9.15am and walking to church for Mass which begins at 9.30am. We will walk back to school together after Mass, and we would love you to join us in walking there and back and to celebrate this special occasion together.

We now use Arbor to send out messages and no longer use ParentMail. Over 90% of families are signed up to Arbor, and we are all getting used to it very quickly. There are a number of ways that we communicate with families, and details on how families can communicate with school can be found further on in this newsletter. Arbor is used for emails and messages, we use Twitter and Tapestry to show what is happening at school each day, and we have this weekly newsletter with highlights of the previous week, information about upcoming events and information on SEMH, safeguarding and communications with school.

Thank you for supporting us in using book bags and not large backpacks at school and for making sure children have sensibly sized water bottles. We are delighted that our classes are almost all full but this does reduce the space we have in shared areas. We do not have lots of space, and therefore, we are asking that children just bring a book bag to school each day. If they have a packed lunch then a small lunch bag is good as well. We do not have space for backpacks and other large bags that many children bring to school.

Lots of our children have them and they have very little in them but they take up a lot of space and end up lying on floors in corridors. They actually take up so much space that we have identified them as a fire hazard, as they are blocking corridors because they can't hang on pegs. Can we also ask that children have standard-sized water bottles. We have very limited sink space, and 30 bottles take up quite a lot of space. If children bring large bottles, they are stopping other children from being able to keep their bottles at the sink. I know these things might seem trivial on their own, but multiply each thing by 30 and you can see the problem. I hope that everyone can help with this request, we don't want to get to the situation where we have to ask people to take bags and bottles home. You don't need to buy branded book bags, any green book bag will be great. Book bags are brilliant because they help keep the books clean, dry and less likely to get torn or curled or damaged to the point where we have to ask for a replacement book.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 Dillon, who are Senior Mental Health Leads and Mrs Lavery, who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute, please phone the school office and let us know. this helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell

Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2

who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who has been using Tapestry, keepingintouch@stcuthberts.email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available.

As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions), and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- **Email keepingintouch@stcuthberts.email** You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school or to let us your child will be picked up early for an appointment. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- **Phone 0191 691 9876** and arrange an agreed-upon time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If

We had an incredible amount of uniform and other items of clothing left behind at school before the summer, and that was after weeks of having the uniforms out on the playground for everyone to check at the end of each day. What Parents & Educators Need to Know about EA SPORTS FC 26

AGE RESTRICTION
PEGI 3

WHAT ARE THE RISKS?

Our guide looks at the risks surrounding EA Sports FC 26 and our top tips to minimise them. This marks the third year since EA left the FIFA licence, and the game is mostly unchanged from last year. While Kick-Off mode is great for playing with friends and Career Mode allows players to fulfil long-term ambitions as a manager or player, Ultimate Team remains the main draw for many players – and it can get out of hand in terms of how much money players can invest.

AN ANNUAL RELEASE SCHEDULE

As was the case with the last two EA Sports FC games and the FIFA series before it, the franchise rolls out once a year with updated squads and new features. This can make it expensive to keep up with, particularly when so many dedicated players are keen to get their hands on the latest edition.

VOICE CHAT

Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be switched off, some children will no doubt want to speak to their friends while they play. This also means they may encounter strangers much older than them, which can expose them to inappropriate language or behaviours.

IN-GAME PURCHASES THROUGH ULTIMATE TEAM

Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and new, improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and experience fear of missing out.

SCAMMERS IN ULTIMATE TEAM

Ultimate Team is managed by EA itself, but that hasn't stopped scammers from looking to dupe players out of money and in-game coins. Some scammers sell their accounts, which is a violation of EA's terms of service, while others will 'sell' coins – something the developer is still working to crack down on. Some try to gain access to others' accounts, potentially giving them access to payment information.

POTENTIAL FOR ADDICTION

While EA Sports FC is potentially addictive, thanks to its fast-paced gameplay and mirroring of the real-world skill and glamour of football, Ultimate Team's focus on limited-time rewards and the lottery of winning packs can make it feel closer to gambling than gaming, which may lead to addiction and impulsive spending of money.

Advice for Parents & Educators

PREPARE FOR ANOTHER GAME IN A YEAR

The annual-release cadence aligns with the return of the school year, and can be a great way to incentivise good behaviour at the start of term. If children are applying themselves and preparing for a new year of school, or were particularly well behaved in the summer, EA Sports FC 26 could make a great reward.

MONITOR VOICE CHAT

As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to lock it down. If children want to chat with their friends while they play, consider setting up a safe space for them to call, to allow them to play without fear of outsiders.

LIMIT SPENDING

If you're worried about children accidentally spending real money in Ultimate Team, whether in game or on the EA Sports FC companion app, don't link a payment card to their account. Reclaiming funds can be a mountain to climb, and the dopamine hit of opening flashy packs with slick animations means one purchase can lead to another very quickly. It's also worth adding a prepaid card if you'd prefer them to make their own choices with their budget.

BE VIGILANT

As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be vigilant with incoming messages, and block and report suspected spam. EA will contact players by email if needed, but they will never ask for usernames or passwords. Players should also avoid buying in-game currency from unofficial websites – doing so can lead to accounts being banned and could cost players money in the process.
