<b>Quality of Learning</b> <b>CURRICULUM IMPACT AND REVIEW</b> Our curriculum ambition is for the high achievement of all pupils irrespective of background and starting point  We regularly review how well our curriculum goals enable achievement	<b>Standards</b> Children will make progress and attain in line with or better than national expectations. Assessment documents show that knowledge and skills are embedded through the curriculum.		<b>Foundation stones of learning</b> Children are confident and successful learners and demonstrate that they have these key learning skills for life.			<b>Personal development</b> Children demonstrate the ethos of St Cuthbert's school in their learning and in their behaviour. Children learn to make the right choices for their safety. Their choices benefit the school and the local community.		
	<b>High quality outcomes</b> <i>Has the learning journey led to a purposeful outcome owned by the children?</i> <i>Are there relevant contexts for high quality outcomes for English and Maths?</i> <i>Are teaching expectations high enough?</i> <i>Are pupils challenged to evaluate their learning?</i> <i>Is assessment purposeful and used to shape future learning?</i>	<b>Curriculum content is responsive and relevant</b> <i>Are pupils able to connect to local, global and national contexts for learning?</i> <i>Do children enjoy learning? Do teachers respond to educational research?</i> <i>Are local resources within the community and environment being maximised?</i> <i>Are tasks adapted to reflect current affairs, technological and environmental changes?</i>	<b>Mastery for all Challenges all</b> <i>At the point of learning is the curriculum sufficiently challenging for each child?</i> <i>Are there opportunities to develop a deeper understanding of the foundation stones of learning?</i> <i>Are there high expectations for all?</i> <i>Does the work of the children show that tasks are rich?</i>	<b>Embedding knowledge and skills</b> <i>Do children have the opportunity to solve problems and undertake learning at a deeper level?</i> <i>Are knowledge and skills carefully planned?</i> <i>Is there increasing challenge in knowledge and skills?</i> <i>Is each NC subject given integrity and taught systematically through each key stage?</i>	<b>Being part of a Family and a Community</b> <i>Does the curriculum engage pupils to be a family of learners? Do children share and learn from each other?</i> <i>Are the foundation stones for learning taught explicitly?</i> <i>Is our Catholic ethos embedded? Do pupils engage with local, national and global issues</i> <i>Are pupils able to relate their values and experience to British values</i>
