#stcuthbertsns

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Thank you to everyone who joined us for our first Advent Service of the season on Friday afternoon. Our Advent services are a very special part of our school year, and they are an opportunity for us all to stop, reflect, pray and sing together. We have lots of performances and events happening over the next few weeks, and we would love to see you at as many things as you can manage to come along to.

Year 5 are our attendance star trophy winners with a score of 98.5% Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all.

Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance and Term Dates](#) page. If your child is feeling unwell and you are unsure about them being in school, the NHS have a page of guidance on the subject, which you can find by clicking on this link: [NHS Is My Child Too Ill For School?](#)

Class	%
Reception	86.1
Year 1	90.7
Year 2	96
Year 3	91.7
Year 4	90.7
Year 5 🏆	98.5
Year 6	94.1
Whole school	92.5

Our children and staff from Early Years and Key Stage 1 are all very excited to be welcoming families to school to see their nativity plays next week. They have been rehearsing for their big shows and they have lots of songs that you are going to love. Our first Fenwick's Window trips will also take place next week- it's beginning to feel a lot like Christmas at St. Cuthbert's!

Thank you to the incredibly generous Elliott's Garden and Pet Supplies for the three Christmas trees they have donated to school. Elliott's have been donating us trees for many years now and they are always fantastic and brilliantly decorated by our Mini Vinnies. Elliott's trees are brilliant value for money and they also sell everything for your garden, pets, alongside lots of different types of firewood and logs. They are based in Backworth, and you can see what they sell on their website,

<https://elliottsgardeningservices.co.uk/>

We have been invited to be part of the North Shields Victorian Christmas Market once again this year. We would love as many children as possible, of all ages, including children who are now in high school, to join us for our performance next Saturday, 6th December. We are due to go on the bandstand for our performance at 1.45pm, and it is always a very special event for children and families. We will send out information about the event through ParentMail next week.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

All the effort that goes into organising our Advent Services, Nativity plays, parties and special dinners—the creativity, the care, and the attention to detail—reflects how deeply St. Cuthbert's staff value our children, families and our community. From ensuring every child has what they need to creating experiences that look, sound, and feel special, their commitment shines through. The adults at St. Cuthbert's consistently demonstrate compassion and respect in how they speak and interact with one another and with our children. They model the behaviours we want our children to adopt—and they do it brilliantly. We see these examples mirrored in the way our children treat each other, as well as in their positive attitudes toward learning, challenge, support, and resilience. Visitors from other schools often comment on how confidently our children speak, how kindly they treat one another, and how proud they are of their school. They notice the strong sense of connection across year groups and with all the adults in our community. Our OFSTED inspection in January this year said that St. Cuthbert's is a *'happy place filled with kindness'* and *'Pupils' behaviour is exemplary. They are kind to one another. Pupils display empathy for others that is exceptionally mature. They enjoy their 'compassion matters' lessons. Here, they learn about personal development. This includes managing their emotions and understanding challenges others might face.'* We believe compassion can be taught and learned, and that behaviours and attitudes can be shaped through example. When we lead with care, understanding, and fairness, we create the community we strive for—a place where everyone knows that people need people and where we all belong.

Look with kindness and you will always find wonder

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

Thank you for supporting us in using book bags and not large backpacks at school and for making sure children have sensibly sized water bottles. We are delighted that our classes are almost all full but this does reduce the space we have in shared areas. We do not have lots of space, and therefore, we are asking that children just bring a book bag to school each day. If they have a packed lunch then a small lunch bag is good as well. We do not have space for backpacks and other large bags that many children bring to school.

Lots of our children have them and they have very little in them but they take up a lot of space and end up lying on floors in corridors. They actually take up so much space that we have identified them as a fire hazard, as they are blocking corridors because they can't hang on pegs. Can we also ask that children have standard-sized water bottles? We have very limited sink space, and 30 bottles take up quite a lot of space. If children bring large bottles, they are stopping other children from being able to keep their bottles at the sink. I know these things might seem trivial on their own, but multiply each thing by 30 and you can see the problem. I hope that everyone can help with this request, we don't want to get to the situation where we have to ask people to take bags and bottles home. You don't need to buy branded book bags; any green book bag will be great. Book bags are brilliant because they help keep the books clean, dry and less likely to get torn or curled or damaged to the point where we have to ask for a replacement book.

Our SEMH team continue to meet and work with Connect North Tyneside.

The Connect team have begun work with our Year 5 and 6 children which will go on for six weeks. Our SEMH team is made up of Ms Shepherd as SENDco, Mr Capper who has a wealth of experience leading support and inclusion at a large local high school, Mrs Cottiss, and Mr Dillon, who are Senior Mental

Health Leads and Mrs Lavery, who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute, please phone the school office and let us know. this helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

St. Cuthbert's School Newsletter

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Clennell
Education Solutions

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. ***Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.*** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who has been using Tapestry, keepingintouch@stcuthberts.email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. ***As highlighted in the past, we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)***, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- ***Email keepingintouch@stcuthberts.email You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school or to let us your child will be picked up early for an appointment. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.***
- ***Phone 0191 691 9876 and arrange an agreed-upon time to chat with someone. Use the school phone number to advise us of absence from school, and for questions***

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website, <https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Can we ask that all items of children's uniform have their name written clearly on the label please. We had an incredible amount of uniform and other items of clothing left behind at school before the summer, and that was after weeks of having the uniforms out on the playground for everyone to check at the end of each day. We don't want to get to the situation where we have so much again.

Thank you for your fantastic, continued support, stay safe and God bless,
Shaun Dillon

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Our weekly E-Safety information posters now come with a link to the National Online Safety website and further resources, including podcasts and more explanations about the app or service highlighted each week. You can access the resources by clicking here [Wake Up Wednesday](#).

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about TIKTOK

AGE RESTRICTION 13+
(Certain features are restricted to over-18s only)

WHAT ARE THE RISKS?

Online videos are often associated with apps such as YouTube, but among teens, TikTok is king. The app provides a potentially addictive, never-ending stream of short clips tailored to users' interests based on their viewing habits. Around half of British children use TikTok, and while most content is benign, Ofcom considers it the app where young people are "most likely to encounter a potential harm".

AGE-INAPPROPRIATE CONTENT

TikTok's Following Feed shows videos from known creators, while the default For You Feed serves endless clips based on viewing history. Most are harmless, but unsuitable content can still appear, and watching for long enough signals interest to the algorithm. Although TikTok bans illegal or inappropriate uploads, the volume of posts means some slip through, increasing the chance that children encounter age-inappropriate material before it is detected or removed.

CONTACT WITH STRANGERS

Between 1.6 and 1.9 billion people use TikTok, meaning there's a high risk of unwanted attention from strangers. Accounts created by over-16s (or young people using a fake date of birth) are set to public view by default. This means that not only is someone's profile visible to everyone else on the app, it also suggests their videos to others and allows anyone to download or comment on them.

BODY IMAGE AND DANGEROUS CHALLENGES

Ofcom reports that most online harms for girls involve body image, while boys more often see dangerous stunts. Both types appear frequently on TikTok and spread quickly through its engagement-driven algorithm. Harmful challenges have included the "blackout" trend, where users held their breath until passing out. Families filed lawsuits after children died linked to the trend, showing how extreme or risky content can rapidly reach young people and negatively influence them.

MISINFORMATION AND RADICALISATION

TikTok's short videos may appear lighthearted, but they can expose young people to harmful ideas. Misinformation is common, and Ofcom reports that nearly one third of 12-15-year-olds use TikTok as a news source, increasing the chance of seeing racist, misogynistic, extremist or conspiracy material. Even brief clips can influence impressionable users and shape their worldview, making discussions about critical thinking, propaganda and online influence especially important for parents and educators.

IN-APP SPENDING

TikTok is free, but children can still spend money. TikTok coins, costing £9.99 to £224.99, let users buy gifts for creators. TikTok Shop adds risk by allowing purchases from influencers or companies, sometimes leading to poor-quality items driven by persuasive marketing. A Canadian investigation found TikTok collected personal data from many children for targeting and advertising despite age limits, meaning young users may lose control over their personal information.

ADDICTIVE DESIGN

TikTok's fast-paced stream of eye-catching videos can be potentially addictive for young users. In 2024, UK children spent an average of 127 minutes per day on the platform, double the time recorded in 2020. Excessive use can disrupt sleep, increase irritability, and distract from healthier activities. Constantly skipping between short clips may also affect attention span, making it harder to focus on longer tasks such as homework or reading.

Advice for Parents & Educators

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account to their child's in order to manage settings remotely. Parents can then turn on Restricted Mode (reducing the chances of a child seeing inappropriate content), set screen time limits, make accounts private and manage whether their child can send messages – and if they can, to whom. Children cannot alter these settings without parental approval.

BLOCK IN-APP SPENDING

Parents can restrict in-app purchases on iPhone and Android devices to prevent accidental or impulsive TikTok spending. Young people can easily spend large amounts on TikTok coins or low-quality products promoted through TikTok Shop. If a disappointing purchase occurs, turn it into a discussion about influencer marketing and how online promotions can be misleading.

DISCUSS THE DANGERS

If a child wants to use TikTok and you're happy for them to do so, it's good practice to discuss the potential risks. Ensure they don't share any identifying personal information or respond to dangerous trends, and that they know to talk to a trusted adult if they're worried by interactions on the app. With more teens using TikTok for news, it's important to talk about misinformation and propaganda.

READ THE SIGNS

If you're concerned that a child is spending too much time on TikTok, or that they've been emotionally affected by something they've seen, it's important to know how to spot the signs. Increased irritability and a lack of concentration are potential red flags, as is failing to complete homework or skipping meals. Remember, the parental controls are there for a reason, and it's never too late to introduce limits.

PE and Outdoor Learning Timetables 2025/2026

Children should come to school wearing their PE kit on their PE day.

PE	
Day	Class
Monday	
Tuesday	Year 3
Wednesday	Year 1, Year 6
Thursday	Reception Class, Year 2, Year 5
Friday	Year 4

We have a timetable for outdoor learning but classes will take learning outdoors as often as they can throughout the week. **Children should wear old clothes (which are appropriate for climbing, getting mucky and possibly smelling of smoke), on their outdoor learning day.** PE kit on PE day and school uniform on all other days. If an outdoor learning day is the same as a PE then children should wear PE kit that is suitable for outdoors and whatever weather we are forecast to have.

Outdoor Learning Dates	
Nursery	(Friday)
Reception	(Friday)
Year 1	(Tuesday)
Year 2	(Tuesday)
Year 3	(Wednesday)
Year 4	(Wednesday)
Year 5	(Monday)
Year 6	(Monday)

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 30th November 2025 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Below are the dates, times and some details of events which will be taking place this school term. We will contact everyone as soon as possible if anything changes around these dates and times and we will send out any more information if and when needed. There may be other events and activities taking place between now and the end of this term and information on these will be sent out to you through Arbor as usual and added to each weekly newsletter. Further details about the Christmas Mass will be sent out via Arbor once we have confirmed them.
