We had another busy week at St. Cuthbert's last week, and we have another busy week ahead. Everyone was brilliant supporting our Year 6 children during their SATs tests and classes continued to take their learning outdoors in the lovely weather. We also welcomed friends from our parish to school and started preparations for our May Procession next Friday and the Whitley Bay Carnival next Saturday 24th May.

Our attendance of the week winners this week are Year 6 with a fantastic score of 99% Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. Information about the impact of attendance and punctuality on your child's education is available on our school website. You can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	92.8
Year 1	93.1
Year 2	95.2
Year 3	93.8
Year 4	97.7
Year 5	92.0
Year 6 🧡	99.0
Whole school	94.8

Thank you everyone for supporting our Year 6 children last week whilst they did their SATs tests. Our children and staff work hard at all times and they are always well prepared for these tests when they arrive. SATs tests do not define who they are as young people or who we are as a school, they do not measure the creativity, compassion, resilience, or humanity of the amazing children, staff and families of St. Cuthbert's. Year 6 prepared for each day with breakfast together before school, thank you to our brilliant, dedicated staff team for preparing this and making sure everyone was looked after and to Angie, Norma and Sue in the kitchen for the cooked breakfast on Thursday morning. As an end of SATs treat Year 6 went to Shiremoor Adventure Playground and had a great time at one of our favourite places. The team at Shiremoor Adventure Playground share the same vision for children as us and the sign on their wall, from Article 31 of the Rights Of The Child says it all, *all children have the right to relax, play and enjoy a range of activities.*

Compassion Matters is unique to St. Cuthbert's, and the work our children and staff do with Mrs Cottis is at the core of how we live out our school mission. During the recent local elections, our children had the opportunity to visit the polling station at St. Cuthbert's and talk to the presiding officers to learn more about the democratic process. They all also voted new members onto our student council, including children from our Nursery Class. Our council have met and they have been talking about what they would like St. Cuthbert's children, families, staff, and community do together to support each other and people in need in their time of need. They have also invited North Tyneside's Young Mayor and Young MP to St. Cuthbert's next week to meet our whole school. They have questions for both representatives and it will be fantastic for our children to see that they could be in these roles, representing young people in our community, when they are at high school. Our Mini Vinnies began preparations for two big events last week, and they welcomed Marie and Kath from the parish who helped them. We will be celebrating Mass with Fr. Chris and the parish next Friday afternoon before carrying our statue of Mary, covered in flowers, through the streets of North Shields and back to school. We would love you all to join us for this very special celebration, for every child to bring a flower to school and to come dressed for the occasion. St. Cuthbert's will also be at the Whitley Bay Carnival next Saturday, 24th May, with rehearsals underway and costumes created by our wonderful Mini Vinnies. All these events and celebrations bring our community together and help make St. Cuthbert's the very special, strong, supportive and compassionate community it is where we all know that people need people.

Look with kindness and you will always find wonder

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. Thank you, everyone, for reclaiming items of lost uniform and other clothes last week. Everything unclaimed will now be added to our uniform rails at the back of the school hall which children and families use every day. We encourage everyone to support our mission to live out the message in Pope Francis' Laudato Si- Caring For Our Common Home, by upcycling and reusing the clothes on our uniform rail. Doing so helps us reduce the need for families to buy more items of uniform and means that good quality clothes aren't thrown out when they stop fitting children. It is 10 years since Laudato Si was published and it continues to be part of our mission at St. Cuthbert's to care for our environment and each other.

We have put together a Social, Emotional and Mental Health team at St. Cuthbert's and the team introduced themselves to everyone who came to our recent Empathy activity morning. The team are made up of Ms Shepherd as SENDco, Mr Capper who has a wealth of experience leading support and inclusion at a large local high school, Mrs Cottiss, Miss Fielding and Mr Dillon who are all Senior Mental Health Leads and Mrs Lavery who is our new Family Support Worker. Our team have made connections with North Tyneside Connect Team and has begun working with a number of children and families already with more families coming forward for advice and support. In addition to the team and the partnerships created all families with children at St. Cuthbert's have been sent signup details for the [Wellbeing Hub](#), an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The [Wellbeing Hub](#) is an online resource which could possibly be of help. Mrs Lavery works with us every Thursday and you can contact her by email at any time, her address is kiera.lavery@stcuthberts.email

Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute, please phone the school office and let us know. This helps avoid asking the person who has come to collect the child to wait around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

If you have any concerns about your child's or another child's safety, including their online safety, or questions about behaviour, we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online. <https://www.thinkuknow.co.uk/parents/>

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors

If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and

do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.

- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

<https://www.yourschoollottery.co.uk/lottery/school/st-cuthberts-rc-primary>

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Next week we will be saying goodbye to Miss Fielding, who is moving on to new adventures. Miss Fielding has worked with children and colleagues across St. Cuthbert's since she joined us in September 2021, most recently in our Nursery. I am sure you will all join us in saying thank you and best wishes for the future to Miss Fielding.

Thank you for your fantastic continued support, stay safe and God bless,
Shaun Dillon

What Parents & Educators Need to Know about MINECRAFT

AGE RESTRICTION
PEGI
7

Still the best-selling game of all time, Minecraft is a bastion of creativity and community, with hundreds of millions of players building and crafting in its almost endless world. The popularity of Minecraft among gamers of all ages means it's important to remain informed about the game, including how to play it safely and whether it's suitable for the children in your care. That's why we've created this guide explaining the risks associated with Minecraft and how to ensure a purely enjoyable gaming experience.

WHAT ARE THE RISKS?

SCARY ELEMENTS

While Minecraft can be seen as a kind of 'digital LEGO', certain game modes include creatures accompanied by eerie sound effects. These can be a bit too frightening for some younger players, potentially leading to distressing in-game combat and other encounters – although the combat is quite basic and free from any real depiction of violence.

GRIEFING

Some players in Minecraft take pleasure in deliberately damaging or destroying another person's creations. This behaviour, known as 'griefing', is a form of bullying – it intentionally ruins someone else's experience by erasing hours of their work and forcing them to start over. Many public servers regard griefing as a serious offence and often ban those who engage in it.

ADDICTIVENESS

Minecraft's focus on creativity means that, as with any creative endeavour, it can be easy to get carried away. If your child is finding it difficult to manage their time because they're drawn in by Minecraft's gameplay loop of resource gathering and building elaborate projects, it could have a knock-on effect on their social interactions and schoolwork.

PUBLIC SERVERS AND COMMUNICATIONS

With public servers being so easily accessible in Minecraft, it's highly likely that children will end up chatting with strangers through the in-game text chat. Some servers even place an emphasis on social interaction, actively encouraging communication between players. While there's nothing inherently wrong with this, it does carry certain risks. In addition to the concerns around speaking with strangers online, players who host their own servers may have their IP addresses exposed, posing a further security concern.

ADDITIONAL PURCHASES

Minecraft is available as a free trial on a variety of devices; however, the full game requires a one-off purchase. After that, players have the option to buy additional cosmetic upgrades or subscribe to Minecraft Realms. Realms is an entirely optional subscription service that allows users to run their own private server to play with friends. Without proper supervision, younger players may end up making unintended or excessive purchases.

Advice for Parents & Educators

CHOOSE THE RIGHT MODE

Selecting Creative or Peaceful mode allows children to play Minecraft without having to contend with enemies. It's also a great way for you to get used to playing the game with them, since the difficulty level is far lower. This allows you to work together on a long-term project, creating something special without the threat of enemies and creatures attacking you or damaging your building.

HOST A PRIVATE SERVER

The easiest way to find a safe server for children to play on is to make one yourself. Hosting a server prevents strangers from finding it, unless they've been given its address and password. A private server also lets you control who's allowed to enter and – if necessary – ban anyone who shouldn't be there. This is the closest equivalent to parental controls in Minecraft. Hosting a private server, however, will cost a monthly fee.

TALK ABOUT STRANGERS

At some point in their lives, almost everyone will make contact with a stranger online. Talking to children about online safety, therefore, is essential – as is having a plan for dealing with any hostile or difficult people. It's important that a child knows never to tell a stranger about themselves online and that they should come to you straight away if they do encounter a problem.

RESEARCH CONTENT CREATORS

Much of Minecraft's early stages can be an exercise in frustration for players who don't know where to start. Thankfully, there's a wealth of material online and in video format to help you learn the basics. Just be mindful that some of this content may not be appropriate for children, so you should consider watching it yourself first.

PLAY MINECRAFT WITH YOUR CHILD

As a creative building tool, Minecraft makes it great fun for children to team up and construct vast buildings accompanied by imaginative landscapes, much like working with LEGO or model kits. Playing in a game mode that includes enemies can encourage critical thinking and teamwork; however, you should consider which game mode is appropriate for the child in your care.
