It was another busy week at St. Cuthbert's with children across our whole school getting out and about to enrich their learning and, to enrich our community. Fr. Chris was delighted to work with so many children this week and we were very proud of our netball team and the year 6 children who represented both St. Cuthbert's and primary school children across the whole United Kingdom last week when they met Sir Alan Campbell once more. Our children, and school, have a growing influence and are making a very positive difference to the lives of children at St. Cuthbert's and further afield.

Congratulations to Year 6 who have won our Attendance of the Week Stars

trophy a score of 93.2%- the second week in a row they have taken the trophy with a brilliant score. We audit attendance every half term and will send a second letter to all families if your child's attendance is below 90%- a level which is classified as a persistent absence. Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. There is information about the impact of attendance and punctuality on your child's education available on our school website, you can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	87.0
Year 1	95.2
Year 2 	93.2
Year 3	97.9
Year 4	92.3
Year 5	90.0
Year 6	98.0
Whole school	93.2

Our Year 5 and Year 1 reading partners enjoyed another session together this week. We are all incredibly proud of all our children and the way they work with each other, support each other and treat each other is summed up in the way they work together. Year 5 children help Year 1 children as paired readers who allow the younger readers to read at their own pace, developing their reading fluency. The older children ask the younger children questions about what they are reading, and what predictions they can make and they love listening to the readers get better and better.

We would love you to join us for our first Advent Service of 2024 on Friday 29th November at 2.30pm in the school hall. Our Advent Services are a lovely way for our whole school community to come together to wait and prepare for the birth of Jesus at Christmas. During each Advent Service we will light a candle on our wreath and on Friday it is the candle of hope. The other candles on our wreath represent faith, joy and love and our children will light them over the Advent weeks as our hall becomes filled with light.

Children from Year 6 represented all children at St. Cuthbert's and across the country this week when they met with Sir Alan Campbell for the third time in 6 months. Since their first meeting, Sir Alan has become the Parliamentary Secretary to the Treasury, a highly important position in the Government. Sir Alan last met with our children before the general election and he promised to meet with them again which is what he did last week. When he last met the children he told them that he would speak to Keir Starmer directly about their questions and concerns. On Friday he once again told the children that he spoke to, and continues to speak to Keir Starmer about their concerns and questions.

The Prime Minister and the Labour Government's work is being influenced directly by our children. At their meeting last Friday, our children continued their campaign for support for refugee children who join our schools from around the world. The children who join our schools haven't any choice in where they are living and, under the previous government, families were moved around the country a lot. Moving so much has a very negative impact on children, it breaks up friendships, it makes their lives even more unsettled and it has a negative impact on their education. Our children have asked that systems be put in place to stop the regular moving of families and to allow children the opportunity to have the same rights as all children, including the right to an education and the right to play- articles 28 and 31 of the UNICEF Rights Of the Child. The first Catholic primary school in North Shields, which became St. Cuthbert's, was opened over 150 years ago and its mission was to provide a safe place for all children to learn, especially children who moved into the area after fleeing conflict, famine and poverty. St. Cuthbert's has been a place of sanctuary for all these years and our children, staff and community all work together to ensure it remains so.

We send out all our letters and forms to families through ParentMail and last week a number of forms were sent out that we need you to complete and return as soon as possible please. The data form with your contact details, medical information and any other information we need is very important. You can change any of the information on it at any time, including details of named contacts, who can drop children off and pick them up from school and medical information. We use Tapestry to share what is happening at school, our account is locked so you need to request access to follow us. If you want to follow our Twitter account our name is stcuthbertsns, if you don't get permission to follow let us know and we'll get you on. We use Tapestry to share more detailed information about what your child is doing at school. Tapestry is fantastic at keeping you up to date with everything and we love it when you press the 'like' button on Tapestry and Twitter- it shows us that you are getting to see what is happening and it also shows everyone at school that you appreciate what they are doing. If you have any trouble accessing any of these apps please let us know, they are important and great ways to keep up to date with everything going on at our very exciting and busy school.

Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

All our clubs are free of charge and our staff give up their own time to make sure your children can have a great time taking part in activities they love. All clubs after school begin at 3.30pm finish at 4.30pm and children must be collected from the school car park at 4.30pm. **Please do not park in the school car park after school. When you are collecting children at 4.30pm you can park outside school, parking restrictions are not in place at this time.**

Clubs this half term are:

Day & Time	Club	Class	Staff
Tuesday lunchtimes	Rockstar Maths	Year 4	Mrs Massie
Tuesday 8.10am	Mini Mini Vinnies	Rec, Y1 & Y2	Mrs Cottiss & Mrs Stephens

All families have been sent everyone with children at St. Cuthbert's signup details for the Wellbeing Hub, an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The Wellbeing Hub is an online resource which could possibly be of help.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Every week we publish a poster with information and advice on keeping children safe online. The posters we use come from the National Online Safety organisation and we use their resources at school when teaching our E-Safety lessons for all children. These lessons follow similar themes as the posters we share with you and the lessons at school are all taught at a level appropriate to the children. Our children know how to stay safe both online and offline and they know we have systems such as Smoothwall at school which help keep everyone safe.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal.

If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrcprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrcprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrcprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Thank you for your amazing continued support, stay safe and God bless,
Shaun Dillon

10 Top Tips for Parents and Educators EDUCATING CHILDREN ON SPENDING AND SAVING

Evidence shows that children's spending habits begin to form as early as seven years old. With primary schools in England not required to teach financial literacy, many young people are reaching adulthood without knowing the basics of budgeting. This guide explains how to teach young people about money in a practical way, giving them the understanding to become savvy spenders and savers.

1 PROVIDE POCKET MONEY

Giving children money – even a small amount – can help them learn to make their own budgeting decisions about how to spend or save it. Research shows that youngsters who receive pocket money are more likely to become adults with strong financial skills and significantly less debt.

2 USE A PREPAID CARD

Being able to pay by card is essential these days, with some retailers not accepting cash since the pandemic. Prepaid debit cards are available for children from the age of six, allowing them to get used to spending like they will as adults with no risk of dipping into an overdraft. Learning about money is like learning to swim – you need to get in the pool and have a go!

3 PRACTISE BORROWING

Although official borrowing is only available to over 18s, kids need to understand how debt and interest works before they become adults and are exposed to credit cards or buy now, pay later schemes. For a safe means of teaching them about this, parents could offer them extra pocket money but explain that it needs to be paid back by a certain date, plus an extra couple of pounds as interest.

4 ENCOURAGE OPEN CONVERSATION

Chatting about money and how much things cost will teach children that finance is a part of everyday life and not some "scary adult thing". Parents can involve them in budgeting for the weekly shop, for example, working together to get everything on the list while keeping the total below a certain number. Letting young ones make spending decisions in a safe space can build up their confidence regarding money.

5 DISCUSS THE PRESSURE TO SPEND

Whether it's YouTube ads or a hint of envy at a friend's recent purchase, spending triggers are everywhere. Encourage children to notice how clever shop design (like placing sweets at the checkout) and offers such as 2 for 1 deals entice us to spend more. Challenge them to resist impulse buys by getting them to sleep on it before deciding to spend.

6 TELLING 'NEED' FROM 'WANT'

Learning how to prioritise spending is an important life skill: the difference between life's essentials and "nice to haves" is key to budgeting. If children pester you for treats while shopping, it's the perfect time to say "That's a want. We're getting our needs first." You could show how you budget for food, electricity and so on before buying fun things.

7 ENCOURAGE SAVING

Getting children saving early can set them up with a useful habit for their adult life. Suggest that they set something aside every time they receive money and help them set a target for how much to put away, so they feel motivated to continue. For example, encouraging them to save for a friend's birthday gift can get children much more invested in what they buy.

8 SPARK INTEREST IN INTEREST

Motivate children by telling them about interest: you can describe it as a reward for saving money. Explain how everything they put away will grow over time. As an exciting example, explain that 1p doubled every day for a month would amount to approximately £10 million. Some prepaid cards for young people also offer interest: parents and carers could also add a little to supplement what their child saves and show how it works.

9 PAYING FOR CHORES

This is a complex debate with no right or wrong answer: it depends on what works for each individual family. However, it can be one of the best ways to teach children that money needs to be earned and helps to create more mindful spenders. If parents aren't keen on paying for everyday chores, they could ask the children to suggest their own ideas for earning a little extra.

10 PROTECT CHILDREN FROM SCAMS

Scams are a terrifyingly easy way to lose money, and children are generally more likely to be taken in due to a lack of experience with these financial criminals. As a minimum, make sure they're aware of the most common scams they could be exposed to – by text, email and phone, for instance. Young people should tell a trusted adult about any unexpected message or call and never give out their personal information.
