Thank you to everyone who joined us for our first Advent Service of the Advent season on Friday afternoon. It was a lovely way to end a very busy and exciting week for everyone at school and we look forward to welcoming you to our next three Advent Services over the rest of this term. **Please note that our Advent Service next week is at 2.30pm on Wednesday 4th December** our children will be performing their nativity next Friday.

Congratulations to Year 3 who have won our Attendance of the Week Stars trophy a score of 98.6%- the second week in a row they have taken the trophy with a brilliant score. We audit attendance every half term and will send a second letter to all families if your child's attendance is below 90%- a level which is classified as a persistent absence. Can we remind all families that we ask you to contact us at school when your child is absent from school for any reason at all. There is information about the impact of attendance and punctuality on your child's education available on our school website, you can find it on the [Attendance and Term Dates](#) page.

Class	%
Reception	94.1
Year 1	92.8
Year 2	87.7
Year 3 🌟	98.6
Year 4	94.7
Year 5	90.7
Year 6	97.0
Whole school	93.4

Our singers performed magnificently at the Whitley Bay Playhouse once again last week to a packed house full of families of all the schools taking part in the concert. The children loved being on the stage and their enjoyment was very clear as they entertained us all with songs to get into the Christmas spirit.

Nursery and Reception Class and Year 1 and Year 2 will be performing the nativities next Thursday 5th and Friday 6th December in the school hall. The days and times for each performance are below. To make sure we have enough space in the hall for everyone we ask that no more than two people from each family comes to each performance. This means two people could come on Thursday and two different people on Friday. Having two performances on different days and at different times should give everyone the chance to come along and enjoy the Nativities.

As we begin Advent, the season of waiting for the birth of Jesus, our staff and children across all classes are preparing for Advent Services, Nativities and lots of other exciting activities. It is also a time when we reflect on what we do and our mission at St. Cuthbert's. Last week Compassion Matters sessions focused on social justice, equity, helping each other and what we would do when faced with tricky dilemmas. Our children know and understand the principle of equity and, in order for everyone to be treated equally, we may need different levels of support and help and at different times. Children and staff at St. Cuthbert's are fantastic at working with each other, working with different classes, helping and supporting each other and celebrating achievements and successes together. We have a very strong community at St. Cuthbert's, one that treats everyone with kindness and compassion and we know that this is something that we work hard to achieve and maintain. Compassion and community are at the centre of who we are and what we do at St. Cuthbert's and this is very clear as we move through the Advent season towards Christmas all our events, activities and celebrations.

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 up from school and medical information. We use Twitter to share what is happening at school, our account is locked so you need to request access to follow us. If you want to follow our Twitter account our name is stcuthbertsns, if you don't get permission to follow let us know and we'll get you on. We use Tapestry to share more detailed information about what your child is doing at school. Tapestry is fantastic at keeping you up to date with everything and we love it when you press the 'like' button on Tapestry and Twitter- it shows us that you are getting to see what is happening and it also shows everyone at school that you appreciate what they are doing. If you have any trouble accessing any of these apps please let us know, they are important and great ways to keep up to date with everything going on at our very exciting and busy school.

Can we remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

All our clubs are free of charge and our staff give up their own time to make sure your children can have a great time taking part in activities they love. All clubs after school begin at 3.30pm finish at 4.30pm and children must be collected from the school car park at 4.30pm. **Please do not park in the school car park after school. When you are collecting children at 4.30pm you can park outside school, parking restrictions are not in place at this time.**

All families have been sent everyone with children at St. Cuthbert's signup details for the Wellbeing Hub, an online resource with lots of information, help and advice for families which you can access any time you need to. Families can face challenges at different times and The Wellbeing Hub is an online resource which could possibly be of help.

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education

Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Every week we publish a poster with information and advice on keeping children safe online. The posters we use come from the National Online Safety organisation and we use their resources at school when teaching our E-Safety lessons for all children. These lessons follow similar themes as the posters we share with you and the lessons at school are all taught at a level appropriate to the children. Our children know how to stay safe both online and offline and they know we have systems such as Smoothwall at school which help keep everyone safe.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal.

If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrcprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrcprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrcprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at

<https://www.yourschoollottery.co.uk/lottery/school/st-cuthberts-rc-primary>

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our current Child Protection and Safeguarding Policy and further information is on our school website,

<https://www.stcuthbertsrcprimary.co.uk/safeguarding> and they outline our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Thank you for your amazing continued support, stay safe and God bless,
Shaun Dillon

At The National College, our *WakeUpWednesday* guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. What Parents & Educators Need to Know about

SNAP STREAK
97
DAYS

SNAPCHAT

AGE RESTRICTION
13+

Snapchat is a messaging app which allows users to send images, videos and texts to others. Its best-known feature is that anything sent "disappears" 24 hours after it's been viewed; however, users are known to take screenshots or use another device to obtain a photo of their screen. In 2023, Snapchat added a chatbot function called 'My AI'.

WHAT ARE THE RISKS?

ARTIFICIAL INTELLIGENCE

My AI is Snapchat's new chatbot, which replies to questions in a human-like manner. However, the software is still in its infancy and has significant drawbacks, such as biased, incorrect or misleading responses. There have already been numerous reports of young users turning to AI for medical help and diagnoses, which could be inaccurate and therefore potentially dangerous.

PREDATORS AND SCAMS

Predators can exploit Snapchat's disappearing messages by, for example, telling a user they have naked photos of them and will post them unless they're paid. Snapchat's own research found that 65% of teenagers had experienced this – on this app or others. This likely isn't helped by 'SnapMaps' – a feature which highlights your exact position in real-time. This is meant to help friends keep track of each other, but could be used for more sinister reasons.

MY EYES ONLY

Snapchat has a hidden photo vault called 'My Eyes Only'. Teens can conceal sensitive photos and videos from parents and carers in this folder, which is protected by a PIN. You can check for this by clicking on the icon which looks like two playing cards. This takes you to the 'Memories' folder which stores photos, stories and the My Eyes Only folder.

SCREEN TIME ADDICTION

Snapchat prioritises user engagement, with features like streaks (messaging the same person every day to build up a high score). The app also has sections called 'Discover' and 'Spotlight', which show tailored content to each user. However, this could also be seen as an attempt to hook users into watching videos endlessly. Furthermore, constant notifications can lure people into using the app.

INAPPROPRIATE CONTENT

Some content on Snapchat simply isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's 'disappearing messages' feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

ONLINE PRESSURES

Although many of Snapchat's filters are designed to entertain or amuse, the 'beautify' effects on photos can set unrealistic body image expectations – creating feelings of inadequacy in younger users. Snapchat now also has 'priority' notifications (which still get displayed even if a device is in 'do not disturb' mode), increasing the pressure on users to log back in and interact.

Advice for Parents & Educators

UTILISE PARENTAL CONTROLS

Snapchat's 'Family Centre' lets you view the details of the child's account, their friends list and who they've spoken to in the last week – and report any concerns. You must invite a child to the Family Centre for them to join. To keep the child's location hidden on the app, go into settings and turn on 'Ghost Mode' and 'Hide Live Location', and ensure they know not to share their location with anyone.

BLOCK AND REPORT

If a stranger does connect with a child on Snapchat and begins to make them feel uncomfortable through bullying, pressure to send explicit images or by sending sexual images to them, the child can tap the three dots on that person's profile and report or block them. There are options to state why they're reporting that user – such as annoying or malicious messages, spam or masquerading as someone else.

FAMILIARISE YOURSELF

Before you allow a child to download Snapchat, download it yourself and familiarise yourself with the app. Snapchat has produced a parents' guide to the app to help you understand how it works and any protections they have in place. A link for this can be found in the sources below.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. For example, discuss My AI's responses to questions and how reliable they are. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.
