

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 17th March 2024 www.northyntesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

It was another very busy and action-packed week at St. Cuthbert's as many of our children were out and about representing our school and community brilliantly. Year 5 enjoyed a special performance of School of Rock by St. Thomas More at Whitley Bay Playhouse and once again it was great for them to see past pupils from St. Cuthbert's sing and dance on the big stage. Year 6 got back out on the bikes again after the winter break and we owe John Conroy massive thanks for the hard work he has put into ensuring all our bikes are in top condition. Our Lego League team did themselves and school extremely proud on Friday at the Lego League as they brought together Compassion Matters work with engineering and technology! The next two weeks will be equally as busy and exciting and we'll keep you up to date with everything on Twitter, Tapestry and through ParentMail as always.

Year 2 are our attendance stars again this week with a score of 98.6% and they'll get an extra playtime next week as a special reward. Our whole school attendance for the week is 96%. We work hard with families and partner agencies to make sure every child achieves the best attendance they can. Can we remind all families that we ask you to contact school when your child is absent from school for any reason at all.

We're delighted at how many donations are arriving at school for Nite Bite and the Cedarwood Trust- keep them coming!

Thank you to everyone who has offered support and expertise during our STEM week next which starts tomorrow. There are lots of exciting events, visitors and activities lined up and the plans in place focus once again on how Science, Technology, Engineering and Maths can make a positive difference to the world. There is also a big focus on showing our children that there are many different ways to achieve what they want to achieve and that they have enormous potential. It has been fantastic this year welcoming past St. Cuthbert's pupils back to school to speak to children about their chosen careers and how they have achieved what they have. From aircraft engineers and pilots to chefs, sports coaches, lawyers and rappers and oil rig engineers- our children continue to meet past pupils who they know from St. Cuthbert's and who inspire us all with their amazing attitudes, drive and compassion.

Thank you also to everyone who has taken part in our STEM Week 2024 survey, we will keep the survey open next week and we will be doing a similar survey with the children and comparing the results of both surveys. Your comments are brilliant and we will use the themes from them as a talking point with the children- thank you!

St. Cuthbert's School Newsletter

#stcuthbertsns

Sunday 17th March 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. St. Cuthbert's was buzzing as always last week as children and staff continued living out our mission both at school and out and about. Children have been learning more about our Protected Characteristics and values in Compassion Matters sessions. Being compassionate means being thoughtful, considerate and respectful and it means we listen to each other. It also means we have a community where children understand that they are listened to and that they do make a positive difference to our school and the world around them. Next week we are celebrating Science, Technology, Engineering and Maths at St. Cuthbert's and we will have a very big focus on our children knowing and understanding that many people choose the job they do as they want to make the world better for everyone and that they can also do this.

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

COMPASSION MATTERS

Children in Crossline COMPASSIONATE SCHOOL AWARD

GOLD AWARD

We nurture compassionate global citizens

We will continue our preparations for Easter with our Key Stage 1 children performing their Easter play at school, our whole school joining Fr. Chris and the parish for Mass at Church and our year 5 children leading our whole school Easter Passion. Our Key Stage 1 Easter Play will be on Tuesday 26th March, Mass will be at 9.30am at St. Cuthbert's Church on Wednesday 27th March and our Easter Passion will be at 1.30pm on Thursday 28th March.

St. Cuthbert's School Newsletter

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801

If you have any concerns about your child's, or another child's safety, including their online safety, or questions about behaviour we always ask that you speak to us at school. It is important that we are part of discussions that may be happening around children's behaviour and welfare. We record incidents and concerns electronically on our CPOMS system and we work very closely with Clennell Education Solutions to make sure all our staff are up to date with the best safeguarding training available and to provide leading professional advice when requested. This means that we have a broad picture of anything that is happening at school and, with your help, we can make sure any concerns are addressed quickly and do not escalate or lead to children or families falling out. If you have a concern that you feel needs attention immediately, and it is outside of normal school hours, you can contact the North Tyneside Safeguarding Team's Front Door service on 0345 2000 109 during office hours or 0330 333 7475 during the evening or at weekends. We work in partnership with the team and they will inform us at school of any referrals made to them during weekends, evenings, and holidays when school is closed. You can also find out more information about safeguarding in North Tyneside on their [website](#) and our [school website](#).

Can we also remind all families that you must let us know who is collecting a child after school if you, the person who would normally do the collection, isn't? If you need to change arrangements at the last minute please phone the school office and let us know, this helps avoid asking the person who has come to collect the child waiting around unnecessarily and helps us ensure all our children are where they are supposed to be. If the person collecting your child is someone we don't know or haven't met often we may ask you for a word or phrase that they can repeat to us, therefore confirming who they are.

As a school St. Cuthbert's were involved in being part of the management committee that set up the PACT MumSpace group that runs in North Shields. MumSpace is a warm, welcoming, friendly group, for mothers run by mothers. MumSpace is a charity run so free to join. Within the group, mums have half an hour of "their time" whilst the amazing volunteers look after the children. This space and time can be used to have a hot cup of coffee and a chat, talk to other mums alike, or invite outside organisations in to give advice, it's the mothers' space it's up to them to decide what to do with it. The group is for pregnant mums or mums with children up to the age of 4. MumSpace is run on a Thursday morning from St Cuthbert's Church from 9.30-11am or Tuesday afternoon 12.30-2pm at St Luke's Church in Wallsend on Frank Street just off the Metro station. For more information see their Facebook page = MumSpace North Tyneside or contact Wendy McConnell at 07950426786 or wendy.mcconnell@citizensuk.org

As part of our work with PACT we are inviting families with children between the ages of 2 and 4 to join us for our Book Sharing Course which we are hosting at school with Wendy. The sessions take place at school from 2.15pm- 3.15pm. We have run these sessions in the

past and they have been very successful and a brilliant way to get ideas and support in helping develop children's love of stories, books and language. Further information about the programme is near the end of this newsletter.

We are asking all families to make sure you pre-order your children's lunches as this is the only way to ensure they get what they want each lunchtime. All children who have a school lunch must pre-order- this includes children in Reception Class, Year 1 and Year 2 who are all entitled to free school meals through the Infant Free School meals scheme.

Thank you once again to everyone who has signed up for your Appetite account and to everyone who is using it to pre-order children's school lunches. It is very, very important that you get your account set up as it allows you to see the menu for the coming weeks, including all the dietary and nutritional information you might want to see. No child will ever be left hungry and the staff in our kitchen know all our children well. If you have any questions about the new school meals system or menu, or need help with the app or using the Appetite service online, please get in touch with us at school.

We get lots of questions at school about keeping children safe online when they are away from school. We have begun information posters from National Online Safety and these will be helpful as they provide up-to-date advice on how to manage different services and apps for children at home. The Think You Know website is also very useful for advice and information and you can find it by clicking the link below. The site is aimed at adults and the subjects are about keeping children safe online.

<https://www.thinkuknow.co.uk/parents/>

Welcome to CEOP Education

Education from the National Crime Agency

The National Crime Agency's CEOP Education team aim to help protect children and young people from online child sexual abuse.

We do this through our education programme, providing training, resources and information to professionals working with children, young people and their families.

I am:

- A professional working with children and young people
- A parent or carer
- 4-7 years old
- 8-10 years old
- 11-18 years old

We would like to remind families that we have a no-jewellery policy for children at St. Cuthbert's, the only exceptions to this are that children can wear a watch and if they have their ears pierced they can wear a small stud- not hoops. Can you please make sure your child doesn't wear any jewellery to school, especially on their outdoor learning day when a few have started to wear chains, necklaces, or bracelets. Outdoor learning day clothes should be old clothes, suitable for the weather, that will get dirty and, most likely smell of smoke by the end of the day.

Can we please remind families that for all classes from reception through to year 6 the school day has a 'soft start' meaning that the school gates and doors will open at 8.40 am and children should go straight to their class when they come on to the playground from 8.40 am. The doors and gates then close at 8.55 am when all children should be in their class- anyone who arrives at school after 8.55 am should come to school through the main office. **Children cannot wait alone on the playground or at school gates before 8.40 am as all staff are supervising gates, doors, corridors and classrooms with teachers beginning their teaching at 8.40 am.** Can we also remind everyone that no adults should be in the school building in the morning or at the end of the school day. If you need to speak to a class teacher you can contact them through Tapestry, phone the school office to make an appointment or pass on a message or catch them at the end of the

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 17th March 2024 www.northyntesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801 school day once all children have been passed over to their families. Our school day ends at 3.25 pm for all children. Can we also please remind families that dogs, no matter how small, are not permitted through the school gates or on the school playground. We have over 500 people on the playground at the start and end of each day and we all greatly appreciate your help and support in keeping our school as safe as possible and our school days running smoothly for everyone.

Thank you to everyone who is using Easyfundraising.

There are no catches to using the site, you don't need to share bank or payment details, just sign up and choose to support St. Cuthbert's. all you then need to do is search for your chosen store or seller on the easyfundraising site and do your online shopping as normal. If you are booking a holiday, buying any insurance, changing internet suppliers, mobile phone providers, etc. online, and doing so through the site they make quite big donations to school! It's really easy to get set up and running, all you need to do is:

1. Head to <https://www.easyfundraising.org.uk/causes/stcuthbertsrprimary/> and join for free.
2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping.
3. After you've checked out, that retailer will donate to St. Cuthbert's at no extra cost to you whatsoever!

There are no catches or hidden charges and we would be grateful for your support and donations which will go towards all our children.

Thank you to everyone who has been using Tapestry, our keepingintouch@stcuthbertsrprimary.co.uk email, and school phone to keep in touch with school staff. Lines of communication must be kept as open and honest as possible between school and home as we work hard to keep our open-door policy and approach going by making so many ways to keep in touch available. **As highlighted in the past we don't use Facebook or WhatsApp or any other social media apart from Twitter (which we don't use to answer questions)**, and we won't be setting up accounts on either medium. If you have any questions, or concerns, or need to chat with a member of staff at school please make sure you use one of three methods we have put in place:

- Message a member of staff on Tapestry with messages regarding work, arrangements for the school day for your child, etc. All staff have access to Tapestry.
- Email keepingintouch@stcuthbertsrprimary.co.uk. You should email this address if you want to discuss or inform of us anything that is more confidential. Emails to this address are only read by Mrs. Cottiss and Mr. Dillon. Please do not use this email for day-to-day things like questions about what is happening at school. **We cannot guarantee that your question will be answered on time this will only happen by contacting the school office.**
- Phone 0191 691 9876 and arrange an agreed time to chat with someone. Use the school phone number to advise us of absence from school, and for questions about day-to-day things. **Phoning school during the school day remains the best way to get in touch.**

If you have not yet activated your Tapestry account or if you are having trouble accessing it please let us know as soon as possible. Tapestry is one of the main ways we keep in touch with families and it is important that you can receive messages and posts from it even if you don't use it a lot yourself.

St. Cuthbert's School Newsletter #stcuthbertsns

Sunday 17th March 2024 www.northtynesidecatholic.org.uk/

Mass times online on Facebook and at St. Cuthbert's each Sunday at 11am. Fr. Chris Hughes can be contacted on 257 5801. There has been a great deal of interest in our apprenticeships that have been advertised, you can find more information about the teaching assistant and admin assistant roles on our school [website](#).

If you haven't joined our school lottery yet it is really easy and gives you a chance of winning our school jackpot each week and gives you an entry to a much bigger weekly jackpot. All profits from the lottery go towards helping us make sure our children continue to have the fantastic opportunities they get every week at St. Cuthbert's. Our weekly prize currently stands at £19.80, you will also be entered into a national school lottery for a £25,000 draw each week. You can sign up at <https://www.yourschoollottery.co.uk/lottery/school/st-cuthberts-rc-primary>

We work continuously with all staff and children to keep children and everyone at St. Cuthbert's safe at all times. Our new Child Protection and Safeguarding Policy 2023/24 is on our school website, <https://www.stcuthbertsrcprimary.co.uk/safeguarding> and it outlines our approaches and policies to safeguarding throughout school. You will also find a copy of our safeguarding policy that we share with the children. It has been written to be accessible to the children and goes alongside all the work we do with them throughout the year. We teach safeguarding and staying safe through many different subjects and you will see the weekly online safety posters we add to every newsletter that we send out. Throughout the year we also have online safety lessons with all children and these range in topic from what to do if a child feels unsafe, how to create the best usernames and passwords and how to judge if the information you are reading or watching is genuine and accurate. We also hold online safety sessions for families each year to help you keep your children safe online at home. If you have any questions about safeguarding at St. Cuthbert's please get in touch by emailing keepingintouch@stcuthberts.email or speaking to Mr Dillon or Mrs Cottiss who you can find on the school playground at the start of each day or by phoning the school office.

Thank you for your amazing continued support, stay safe and God bless,

Shaun Dillon

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit nationalcollege.com for further guides, hints and tips for adults.

What Schools Need to Know about THE ONLINE SAFETY ACT

The Online Safety Act was passed into UK law in October 2023, with the aim of establishing major new layers of protection for children when they're online. The government has pledged "a zero-tolerance approach to protecting children from online harm" – and the act certainly includes more powerful legislation which should help to safeguard young people in the digital world. Our guide summarises the key points for schools ...

WHAT THE ACT WILL DO

HARMFUL CONTENT

Social media sites must rapidly remove illegal and/or harmful content such as bullying or harassing comments; pornography; and content that supports extremist activity or encourages or depicts violence, suicide, self harm or eating disorders. If they fail to do so, they can be fined up to 10% of their global revenue while their executives may even face jail time.

ANIMAL CRUELTY

Content featuring cruelty to animals is now prohibited, even if it originates from abroad (where the law may be different). Again, it is the platform's responsibility to remove this.

MORE TRANSPARENCY

Sites must be transparent about the hazards that any children using them could encounter – by publishing risk assessments for their platforms, for instance.

HOSTING MISLEADING ADVERTS

Scams and fraudulent adverts must be blocked or removed, or the hosting companies are liable to be fined.

NON-CONSENSUAL SHARING

It's now easier to convict online abusers or people who share intimate images without consent, while legislation on the criminality of deepfakes has been clarified. The new laws also relate to any individuals who even threaten to share such images. This should help to protect women and girls in particular online.

REPORTING AND FILTERING

Sites should have easy reporting mechanisms for children (or their parents and carers) to flag up problems quickly. They must also provide options to filter out unwanted content.

AGE-RESTRICTED MATERIAL

Sites must prevent children from accessing age-inappropriate material. This includes enforcing age limits and implementing robust age verification.

What this means for you

The act has some specific implications for schools: it's essential that leaders understand the new legislation's scope and limitations. The act is certainly a positive step, but as artificial intelligence and other advances in tech continue to produce new challenges, schools will still need to remain extremely vigilant.

KNOW WHERE TO GET HELP

Look out for the Code of Conduct that Ofcom is creating in response to the Online Safety Act. Note that the new legislation doesn't mean an instant change: many of its elements will only come into force at the end of 2023. An Ofcom consultation on 'protecting people from illegal harms online' will be running until February 2024.

REMEMBER THE ESSENTIALS

Remain mindful of your organisation's own online activities: the legal duty for schools to maintain appropriate software monitoring and filtering, for example, will not change.

WATCH FOR FUTURE DEVELOPMENTS

There are some issues on which the legislation remains less clear for now: whether it's possible for Ofcom to scan encrypted private messages (such as on WhatsApp) has yet to be resolved, for instance – making this an area where, for the moment, young people have less legal protection.

UNDERSTAND AND EXPLAIN

Staff should learn how to raise concerns with tech companies whose platforms contain anything upsetting or unpleasant. Students also need to be made aware of the newly strengthened laws relating to cyber-bullying, sexting or posting inappropriate content. Young people do make mistakes online – so the clearer their understanding of the possible consequences, the better.

ENGAGE WITH PARENTS

Schools should also explain to parents and carers the new possibilities that the Online Safety Act affords them in terms of protecting their children. Many parents may have previously felt that there was little they could do about changing online platforms' content; they now have a far greater level of support when complaining about a company or the behaviour of an individual.

Meet Our Expert

Luke Ramsden is Senior Deputy Headmaster and Director of Safeguarding for the St. Benedict's family of schools. He is a regular speaker at conferences and writes in the TES (among other journals) on school leadership, pastoral care and safeguarding. In 2022, he was named Pastoral Leader of the Year at the National Awards for Pastoral Care in Education.

St Cuthbert's Catholic Primary School families are invited to join our

Book-sharing Course

This course is for 7 weeks starting Wednesday 17th January until 15th February from 2.15pm. Then we will have a further 3 sessions starting 28th February until 13th March.

This friendly group for local families and is not about reading stories to your child but is about giving you new skills and confidence to share books with your 2-4 year-old.

This Book-sharing course has been proven to:

- help your child's language development
- encourage children to concentrate and give attention for longer
- help your child get on with others better and improve their social skills
- give you and your children a closer connection and a special time together
- build an even stronger relationship between you and your child

This course is being run for FREE by the Parents and Communities Together (PACT) team in partnership with St Cuthbert's Catholic Primary School. For more information call Wendy on 07950426786. You can book your place by contacting school on 0191 691 9876 or by texting/calling Wendy on 07950426786.
